

A large, stylized graphic element in the background, consisting of a dark green swoosh that curves around a central point, with a gold-colored swoosh cutting through it. This graphic is layered over a larger, lighter grey version of the same shape. The overall design is modern and dynamic.

Our company aims to establish strong, long-term and reliable relationships with our customers

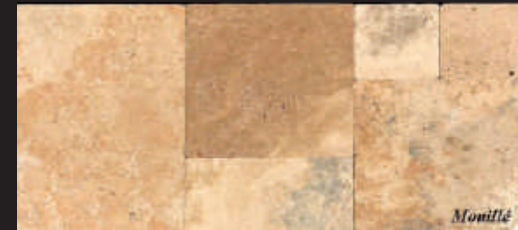

Travertine Light-Mixe Tumbled 1st Choice

This selection is made up of several shades (Light / Medium / Dark) but is much more nuanced than Classic Mixe and has no yellow/black veining.

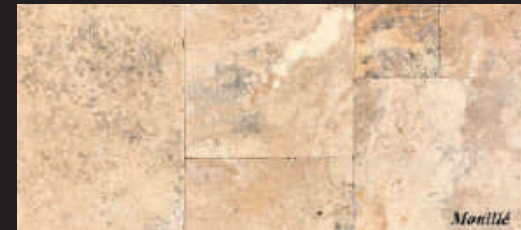

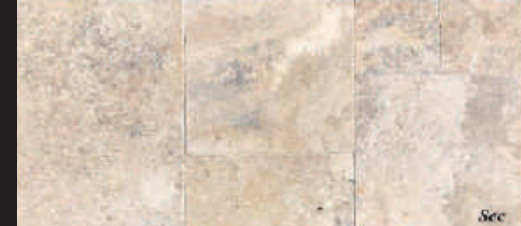

Travertine Classic Mixe Tumbled 1st Choice

This stone comes in a range of shades (Light / Medium / Dark / Brown). You'll find veining up to %30 per pallet, including black and yellow veins. Appreciated for its imperfect stone look that will take you back in time.

Travertine Rustic Tumbled 1st Choice

This is a well-shaded selection, with %100 vein. Very natural appearance and rustic charm.

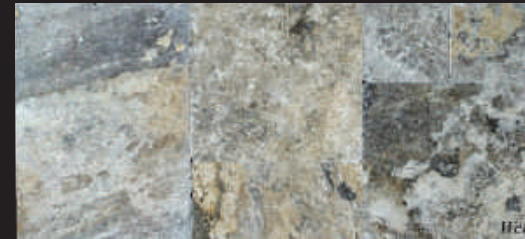

Travertine Classic Mixe Tumbled 2nd Choice

Same characteristics as Classic Mixe, different shades (Light / Medium / Dark / Brown) up to %30 per pallet, but with more cavities, even through holes.

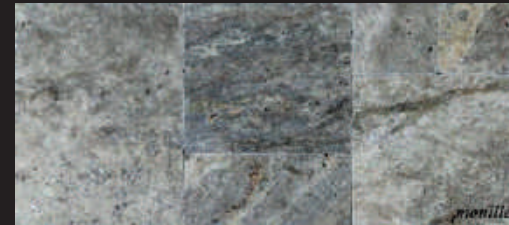

Travertine Silver Mixe Tumbled 1st Choice

Mostly grey, with a range of colours from light grey to darker with shades of beige. A range of colours that give travertine its unique, natural appearance.

Travertine Silver Mixe Tumbled 2nd Choice

Same characteristics as the Silver Mixe 1st Choice, but with more cavities and even through holes.
